2027 Membership Commitment

We stand as a community, committed to growing, expanding, and shining our Light in the world. As a spiritual community grounded in the One Life and guided by the eternal flow of Divine Good, we understand that giving is not merely an action; it is a consciousness. It is a sacred affirmation that we live in an abundant Universe, where circulation is the natural expression of Spirit. In this awareness, we enter into Shared Abundance and community together.

- ♥ As a member of the Center for Spiritual Living Olympia, I stand proud of my membership and the legacy I inherit and the future we are creating.
- ♥ I rededicate myself to the Mission of this Center – to being an open, expanding, and welcoming community that learns, lives, and shares spiritual principles to create a more loving world.
- ♥ I commit to supporting this Center with my time, money, and heart, in building a spiritual community that reflects both purpose and passion.
- ♥ I commit to living by the 12 Revolutionary Agreements as a way of being in healthy community in this Center.
- ♥ I commit to a regular, ongoing spiritual practice, using our tools of meditation, visioning, and affirmative prayer to support myself and others in awakening to our spiritual magnificence.
- ♥ I commit myself to fellowship – to encouraging one another, to strengthening our Center as a place of loving acceptance, inclusion, and belonging for all who desire to be here.
- ♥ I commit to being a spark of the One Light – to leading with integrity, serving with compassion, and shining boldly at this Center, and in my larger community.
- ♥ Today, I choose to not simply belong but to believe. To not simply attend – but to practice and act. To not simply carry a name – but to carry the flame. I rededicate myself fully – heart, mind, body, and spirit – to the mission and future of CSL Olympia.

♥ *I commit to these intentions*
